

Name _____ **Semicolons**

Semicolons

Use a semicolon can be used to join two independent clauses of equal emphasis that are closely related in meaning. Expand each sentence by adding a related independent clause. Use a semicolon to join them.

1. Ian just got rollerblades

2. I love this picture

3. That book was great

4. The sun is coming up

5. That dog is always getting into something

6. We decorated for the holiday

7. I need a tissue

8. It's supposed to be cold today
