

Name \_\_\_\_\_ **Memoir**

# Memoir

A **Memoir** is a true story that describes personal events in the life of the author. While autobiographies tend to focus on the facts of the author's life, memoirs tend to focus on some specific event or collection of memories with the goal of reflection and making an emotional connection with the reader.

Title of Memoir: \_\_\_\_\_

Subject / Author: \_\_\_\_\_

Why did you choose to read this book?

Write a paragraph on how the book displays the elements of a memoir.

- It is written in first person singular point of view.
- It is true.
- It has a focus (a particular event in the author's life).
- It is relatable.
- It is descriptive of both people and events.
- It has a transformation/character arc.
- It is a personal story that ties to something universal.
