## The Mystery of Haunted Hollow School

### Open-Ended Response Answer Key

1. Mr. Johnson's actions contributed to the transformation of Haunted Hollow School by solving the mystery of the haunting and making safety improvements. His determination, research, and community involvement helped bring peace to the restless spirits, creating a more positive and welcoming atmosphere for students and teachers.
2. Mr. Johnson demonstrated qualities such as determination, curiosity, empathy, and leadership throughout the story. These qualities helped him persevere in solving the mystery and making positive changes for the school and the community.
3. Answers will vary, but students may describe their reactions to the strange occurrences and outline steps they would take to investigate and solve the mystery. They may also discuss the importance of involving the community and authorities.
4. Responses will vary, but students may share personal experiences where they faced challenges that required investigation and problem-solving. They can describe the steps they took, the lessons they learned, and how they felt about overcoming the challenge.
