

Name _____ **Angle Brackets**

Angle Brackets for Websites

DIRECTIONS: One function of angle brackets is to mention a website. Answer each question with a complete sentence by providing the questioner with a website address.

1. Where can I learn more about leopards?

2. Where can I do my taxes online?

3. Where can I buy movie tickets online?

4. Where can I stream anime online?

6. Where online can I look for a new job?
