

Name _____

The Secret Island

On a mysterious island, a group of friends discovered an ancient treasure map. They

assembled at dawn, eager to begin their adventure.

The island's landscape was vast and lush, full of hidden secrets. As they explored, they encountered a silent forest and paused to listen for clues. One of the friends noticed a glistening rock that marked a special spot on the map. Their mission was to find the hidden treasure chest before sunset.

They moved cautiously, knowing they mustn't miss any hidden traps. Finally, they found the chest beneath an old oak tree and celebrated their success.
