Magical Bear Tale

In a dense forest lived a magical bear named Benny. Benny had a fluffy coat and sparkling eyes. He possessed a special talent for granting wishes.

One morning, Benny heard a little girl crying near the brook. She had lost her kitten and felt helpless. Benny gently patted her shoulder and promised to help. He sniffed the air and followed the kitten's scent. Benny found the kitten stuck in a thicket of brambles.

With a swift swipe, he set the kitten free. The girl hugged her pet tightly and thanked Benny. Benny waved goodbye and vanished into the woods, leaving behind a trail of glitter.
