

Name _____

The Enchanted Portal

Open-Ended Response Questions

1. How did Maria's grandmother's stories and the magical world she discovered in the forest connect with Latin American folklore, and what elements from the folklore did she encounter during her adventures?
2. Describe one of Maria's adventures in the magical world and explain the lesson she learned from it.
3. What do you think Maria meant when she said, "the magic and wisdom she had gained would stay with her forever"? How do you think her experiences in the magical world changed her?
4. If you were Maria, what lesson or experience from her adventures would you find most valuable? Why?
