The Mystery of the Hidden Treasure

One sunny day, a girl named Heidi and her friend Keith found an old map. The map showed the way to a hidden treasure.

Heidi and Keith were excited to go on an adventure.

They followed the map to a field with tall grass. They walked through the field and found a big tree. The map said the treasure was beneath the tree.

Heidi and Keith started to dig. Suddenly, they hit something hard. It was a wooden chest! They opened the chest and found gold coins, shiny jewels, and a note. The note said, "This treasure belongs to the brave and kind."

Heidi and Keith smiled. They decided to share the treasure with their friends. Everyone was happy and they had a big celebration. The treasure hunt was a great success!
