Ben's Fun Camp Day

Ben went to camp for the first time. He was very excited. At camp, Ben saw a big tent. It was red and had a flag on top. Ben put his bag inside the tent.

Next, Ben went to the pond. He saw lots of fish and frogs. Ben caught a big fish. He was so happy! He let the fish go back into the pond.

Then, Ben went on a hike. He climbed a tall hill and saw a deer. The deer was brown and had big antlers. Ben took a picture of the deer.

After the hike, Ben made a craft. He used glue and paper to make a hat. The hat was blue and had a star on it. Ben wore the hat and felt proud.

At the end of the day, Ben sat by the fire. He ate a hot dog and sang songs with his friends. Ben had a great time at camp. He could not wait to come back.
