## The Sunny Picnic

Molly and Danny went on a sunny picnic. They took a basket with snacks and drinks. They walked to the park and found a grassy spot under a big, shady tree.

First, they had sandwiches and apples. Molly found a little pebble in the grass. She picked it up and put it in her pocket. Danny saw a butterfly land on a flower. The butterfly had bright, yellow wings.

Next, they played with a soccer ball. Molly kicked the ball, and Danny ran to catch it. They both laughed and had so much fun. After playing, they sat down to rest.

Suddenly, they heard a rustle in the bushes. It was a rabbit hopping by. The rabbit had soft, brown fur. Molly and Danny watched the rabbit until it hopped away.

At the end of the day, they packed up their basket and walked back home. They had a great time at their sunny picnic.
