

Name _____

Hidden Forest Mystery

On a foggy morning, Wendy and her dog, Buddy, set off on a hidden forest adventure.

They wandered along a winding path covered in dew.

Wendy spotted an old, abandoned cabin partially hidden by trees. Nearby, Buddy discovered a hidden pond with crystal-clear water. Wendy noticed a wooden sign with a faded message. She carefully climbed over a fallen log to get a closer look. The sign hinted at a secret buried treasure.

Excited, Wendy and Buddy followed the clues and uncovered a box filled with gold coins. Their forest adventure had led to an incredible find.
