

Compare and Contrast

When you compare things, you look for things that are the same.
When you contrast things, you look for things that are different.

DIRECTIONS: Read. Then compare and contrast the cats.

Patches

Patches is a sweet-tempered calico cat. She lives in a neighborhood where she “belongs” to everybody. Everyone sets out food and treats for her. She is affectionate and everybody’s friend.

Morry

Morry is a tomcat that lives in the woods near the mall. He doesn’t trust people, so he stays out of sight most of the time. At night, when no one is around, he looks for food around the dumpsters. If anyone comes near him, he hisses.
