

Paragraph Review

TRUE OR FALSE

1. A paragraph must be at least four sentences.

2. Every paragraph needs a topic sentence.

3. The topic sentence tells what the paragraph is about.

4. Transition words link paragraphs together.

5. Supporting details support a claim in a paragraph.

6. A concluding sentence provides evidence that supports the main points of the paragraph.

7. Every paragraph has the same structure.

8. Supporting sentences can have supporting sentences of their own.

9. Each individual paragraph should be structured correctly in order for a whole work to be logical and make sense.
