

AU and AW

When two letters work together to make one vowel sound, the letter pair is called a diphthong. The diphthongs au and aw make a sound similar to a short o:

launch

haunt

Paul

crawl

trawl

drawl

DIRECTIONS: Use the beginnings, middles, and ends below to build words with the diphthongs **au** and **aw**. Write your words on the lines.

Beginning	Middle	End	Write the Words
v	au	l	_____
h		ce	_____
s		lt	_____
p		se	_____

Beginning	Middle	End	Write the Words
sh	aw	l	_____
b			_____
y		n	_____
d			_____
