

Name _____

WHAT DO YOU SEE IN THE PICTURE?

Directions: Look at each picture below and make an inference about what you see.

Inference

The young boy is showing kindness and respect by assisting an elderly person in crossing the street safely. This indicates a sense of responsibility and care for others, especially those who may need extra help.

Inference

The boys are engaging in a friendly interaction, likely sharing or helping each other. This demonstrates the values of friendship, generosity, and cooperation between peers.
