

Name _____

The Secret Society of Imaginary Friends

Short Answer Key

1. The names of the imaginary friends were Sparkle (unicorn with a magical horn), Captain Redbeard (pirate with navigation skills), Robo (clever robot), and Zog (mischievous alien with gadgets).
2. The secret society formed by the imaginary friends was to protect their creators from the mysterious threat.
3. The children and their imaginary friends solved the mystery by following clues, solving riddles, and outsmarting the jealous children from the neighboring town.
4. The jealous children from the neighboring town wanted to steal the imaginations of the kids in the neighborhood because they were jealous of the imaginative adventures they were having.
5. Answers may vary, but the bond between the children and their imaginary friends changed by growing stronger and more trusting as they faced challenges together.
