## Mom from Outer Space

### Short Answer Key

1. Zara discovered her talent for soothing babies when she found Emily crying in a stroller. She picked up the baby and comforted her with her natural ability.
2. Zara invented a background story that she grew up in a circus, learning parenting skills from acrobats and clowns.
3. Zara adapted to her new life on Earth by learning to change diapers, make baby food, enrolling in a parenting class, and becoming an integral part of the community.
4. Zara often gazed at the stars, symbolizing her longing for her home planet and the life she left behind.
5. Zara learned the true meaning of love and family through the challenges of motherhood and her secret identity.
