

Name _____

Mighty Mouse

Short Answer Key

1. Mouse's curiosity leads him from one thing to the next, causing a chain reaction of events.
2. A bigger animal wouldn't fit in a lunchbox or get into as many small spaces, making the story less surprising.
3. It's funny when Mouse makes a big mess because he is so tiny but causes so much chaos.
4. Mice often represent small but determined characters, showing that even tiny creatures can do big things.
5. Answers will vary. Example: "I would choose a monkey because they are playful and would love climbing around the school."
