

Name _____

Rhyming Magic

Short Answer Key

1. Rhyming makes the words sound more like a song, making them easier to remember.
2. Rhythm helps speed up exciting parts and slow down serious moments, making them more powerful.
3. The fun style keeps young readers engaged while making the environmental message easier to understand.
4. The capital letters make the word stand out, showing that it is an important warning.
5. Example: "UNLESS someone like you cares a whole awful lot, nothing is going to get better. It's not." This rhyme makes the message stronger and easier to remember.
