

Name _____

Twisted Logic

Short Answer Key

1. He believes that because he planned everything so carefully, he must be logical and not insane.
2. He feels calm and confident, thinking he is too clever to get caught.
3. He hears a heartbeat growing louder and louder, which makes him panic.
4. The narrator confesses while trying to prove he is sane, but his confession shows how disturbed he truly is.
5. From the start, the narrator insists he is not mad, which makes the reader question if he really is.
