

Name _____

The Secret Society of Imaginary Friends

Open-Ended Response Answer Key

1. Answers will vary, but some students might want an imaginary friend with the ability to fly, super strength, or the power to make any wish come true.
2. Answers may vary, but students might find the adventure where they outsmarted the jealous children the most exciting because it involved solving puzzles and using teamwork.
3. The children and their imaginary friends demonstrated bravery by facing the mysterious threat and cleverness by solving riddles and puzzles throughout their adventures.
4. The jealous children could have tried to befriend the kids in the neighborhood instead of resorting to stealing their imaginations. They could have joined in on the imaginative adventures and made new friends through kindness and cooperation.
