

Name _____

Spring Camping Surprises

Short Answer Key

1. Possible answer: The first challenge was starting a campfire. They managed to light it after several attempts with matches and the help of some windbreaks.
2. Possible answer: The third challenge was a small leak in the tent's roof. They used a towel to soak up the water and moved their sleeping bags away from the wet area.
3. Possible answer: They hung their wet clothes on tree branches and used paracord to create a makeshift clothesline.
4. Possible answer: Dad used rocks to create a makeshift windbreak, which helped them cook dinner successfully.
5. Possible answer: The challenges brought the family closer together and made them appreciate each other's company.
