

Name _____

Alone and Lost

Open-Ended Response Answer Key

1. The story shows that both Victor and the creature became sad and angry because they had no one to turn to.
2. If someone had been kind to the creature, he might have been good instead of vengeful.
3. Victor might have made better choices if he had stayed close to his loved ones.
4. The story teaches us that being kind and including others can change someone's life.
