## The Big Birthday Surprise

One sunny day, Roy and his friend, Joy, planned a big surprise for their friend, May. It was May's birthday, and they wanted to make it special. They decided to have a picnic by the bay.

They packed a basket with yummy food, like sandwiches, cookies, and fruit. Roy brought his favorite toy boat, and Joy brought a colorful kite. They walked to the bay and found a perfect spot to set up their picnic.

As they enjoyed their food, they saw a playful dolphin jumping out of the water. "Wow, look at that dolphin!" shouted Joy. Roy smiled and waved at the dolphin.

After eating, they decided to fly the kite. The kite soared high in the sky, and they watched it dance in the wind. "This is so much fun!" said May.

Next, Roy put his toy boat in the water. The boat floated and bobbed on the waves. They all laughed and cheered as they watched the boat sail.

Suddenly, they heard a loud noise. "Surprise!" shouted their friends and family, who had secretly gathered behind them. Everyone sang "Happy Birthday" to May and gave her a big birthday cake.

May was so happy and thankful for the big birthday surprise. They all enjoyed the cake and played games until the sun began to set. It was the best birthday ever!
