The Fun at the Pond

Meg and Tom love to visit the pond. One sunny day, they went to the pond to see what they could find. The pond was big and had lots of plants around it.

Tom saw a frog jump into the pond. "Look, Meg! The frog is big and green," he said. Meg smiled and waved at the frog. Then, they saw a bug on a wet log. The bug was small and had six legs.

They walked around the pond and found a spot to sit. Meg saw a fish swim by. The fish was fast and had a fin that stuck up. Tom and Meg sat and watched the fish swim.

Suddenly, a duck came to the pond. The duck quacked and flapped its wings. Tom and Meg laughed and waved at the duck. They had fun at the pond and saw many things.

When it was time to go home, they waved goodbye to the pond. "What a fun day!" said Meg. "Yes, it was," said Tom. They both smiled and walked back home.
