## The Magic Treehouse

Anna and Ben found a treehouse in the woods. It was old and big. They went up the ladder to see inside. "Look!" said Anna. "There are books and toys here!" Ben was happy. He found a red ball and Anna found a book.

Anna opened the book. "Wow, this book has magic," she said. "If we read it, we can go to new places." Ben said, "Let us go to the moon!" They read the book and closed their eyes. When they opened their eyes, they were on the moon.

On the moon, they saw stars and big rocks. They jumped high and felt so light. "This is fun," said Ben. Anna nodded. They played with the red ball on the moon. After a while, they felt sleepy. They read the book again and went back to the treehouse.

Anna and Ben were happy. "Let us come back tomorrow," said Anna. Ben said, "Yes, we can have more fun!"
