

Name _____

Mystery Beach Adventure

On a sunny day, Lucy and her friend Tucker went on a mystery beach adventure. They brought a special

picnic basket filled with delicious treats. As they walked, Lucy noticed an old, silent wrecked ship partially buried in the sand.

Tucker found a small, antique locket near the ship's remains. They decided to explore the wreck and found intricate carvings inside. The gentle breeze carried the scent of the ocean as they continued their search. Lucy stumbled upon a hidden alcove with a secret map.

Excited, they followed the map and discovered a treasure chest buried under a rock. Their adventure turned out to be more thrilling than they had imagined.
