

Name _____

Dragon's Secret Cave

In a mystical forest, Ella swung her lantern, lighting the path to the dragon's cave. She flung a rope over a high ledge to climb up.

The cave entrance clung with ancient, rusted chains. As she sprung inside, the sound of her footsteps echoed. A young dragon sung softly, its voice carrying a beautiful melody.

Ella sprung towards the dragon, offering it a shiny, golden key. The dragon's eyes sprung open with curiosity. It took the key and sprung the lock on a hidden chest.

Gold coins and treasures sprung out, glittering in the lantern light. Ella and the dragon hung out together, enjoying their new-found friendship.
