

Name _____

Virtual Adventures with Mom

Open-Ended Response Questions

1. Reflect on the role of technology in the story. How did Mom's creation of virtual reality adventures enhance the lives of Mia, Max, and the family as a whole?
2. Describe a moment from the story that you found particularly exciting or imaginative in one of the virtual adventures. How did it make you feel?
3. Explain the significance of the treasure hunt in the story. How did it add to the overall theme of family bonding and adventure?
4. Consider how the story emphasizes the value of shared experiences and family time. How can such experiences, whether real or virtual, strengthen family relationships in the modern world?
