## The Big Sun

Meg had a fun plan. She wanted to go to the beach. She got a big red bag and put in a hat, a mat, and a cup. Meg was ready for a day in the sun.

At the beach, Meg saw a big sun in the sky. She sat on the sand and had a nap. When she woke up, she saw a big crab by her bag. The crab had a shell and was very red. Meg was not scared. She gave the crab a small pat.

Next, Meg saw a man with a big net. The man was trying to catch fish. Meg went to see the man and asked if she could help. The man said yes. Meg held the net and they caught a big, fat fish.

Meg was so glad. She had fun in the sun, met a crab, and caught a fish. Meg went home with a big smile on her face.
