

Name _____

The Happy Puppy

Sandy had a happy puppy named Bella. Bella loved to run and jump in the yard. One sunny day, Sandy and Bella played outside.

Sandy threw a stick, and Bella ran fast to get it. Bella brought the stick back with a big smile. Next, Sandy tossed a rubber ball. Bella jumped up and caught the ball in her mouth.

Then, Bella saw a butterfly. She followed it around the garden. The butterfly landed on a yellow tulip. Bella sniffed the flower and wagged her tail.

After that, Sandy and Bella sat on a blanket. They had snacks and drinks. Sandy had a cookie, and Bella had a biscuit. They were very happy.

At the end of the day, Bella was tired. She curled up on Sandy's lap and fell asleep. Sandy hugged Bella and smiled. It was a fun day with her happy puppy.
