Magic Apple Adventure

One sunny day, Emma found a shiny apple in her backyard. She noticed it had a small, twinkling spot.

Suddenly, the apple began to wiggle and bounce. Emma was astonished when it sprouted little arms and legs.

The apple, named Pippin, could talk and sing! Pippin asked Emma to help him find his way back to the magical orchard. Together, they crossed a bubbling brook and climbed a tall hill. Pippin showed Emma a hidden tunnel under a big oak tree.

At the end of the tunnel, they found the enchanted orchard filled with glowing apples. Emma said goodbye to Pippin, who promised to visit her again.
