

Name _____

The Time-Traveling School Bus Adventure

Short Answer Key

1. In the Roaring Twenties, the students danced the Charleston, wore flapper dresses, and met a talking parrot that taught them slang from the era.
2. During the moon landing, they experienced zero gravity, bounced around, and met an astronaut who shared moon rocks.
3. In the 1980s, they encountered roller-skating and funky music, and they saw people with big hairdos.
4. In the year 2020, they experienced a virtual classroom, tried on futuristic clothes, and met a robot teacher named Robo-Prof.
5. The time-traveling adventure ended with the bus returning the students safely to the schoolyard.
