

Name _____

Rulers of Oz

Short Answer Key

1. The Wicked Witch of the West uses fear and control to make people obey her.
2. The Wizard seems powerful because he creates illusions and tricks to make people believe he has magic.
3. Glinda uses her magic to help Dorothy and guides her rather than controlling her.
4. The Wicked Witch of the West is defeated when Dorothy throws water on her, and she melts away.
5. The story teaches that true leadership comes from kindness, wisdom, and helping others rather than fear or trickery.
