## Family Bonds

### Short Answer Key

1. Charlie shows he cares by letting Bella make her own choices but worrying about her safety.
2. The Cullen family is made up of vampires who live together and act like a family, even though they are not related.
3. They stay together because they follow the same way of life and protect each other.
4. At first, Bella and Charlie are distant, but as the story goes on, she appreciates his love and support.
5. Bella admires how the Cullens support and protect one another.
