

Name _____

The Magical Bookmark

Open-Ended Response Answer Key

1. The experience likely deepened their love for reading and made them appreciate the power of imagination and storytelling.
2. The "real magic of books" represents the idea that books have the power to create connections, friendships, and a sense of community beyond the stories they contain.
3. Answers may vary. Students might choose a specific book based on their interests or one that they find particularly exciting or adventurous.
4. The story can inspire others by showing that reading can be an exciting and immersive adventure, and that it can also bring people together in a shared love for books and storytelling.
