## Funny Guests

### Open-Ended Response Answer Key

(Answers may vary; examples provided.)

1. A skunk might be funny because the other animals would try to avoid its smell.
2. If they could talk, they might argue over space, making the story even funnier.
3. The illustrations show the mitten stretching and the animals looking squished, which adds to the humor.
4. The story teaches that sometimes we have to share, even when it feels crowded or uncomfortable.
