

Name _____

Fantasy Feelings

Open-Ended Response Answer Key

1. Answers should discuss how fantasy creatures and adventures make it easier to talk about difficult emotions.
2. Students might argue that the adventure was real or imaginary, using examples from the story to support their view.
3. Possible answers include talking to someone, writing in a journal, taking deep breaths, or doing something creative.
4. Answers should be creative, describing a new land, creatures, and a lesson learned from the experience.
