## The Legend of the Jungle Lodge

Deep in the jungle, there was a secret lodge known only to the bravest adventurers. This lodge was hidden at the edge of a large ridge, surrounded by thick foliage. It was said that anyone who found the lodge would be granted a magical gift.

One day, a curious boy named Rudge decided to find the jungle lodge. Armed with a map and his trusty backpack, Rudge ventured into the jungle. He crossed a narrow bridge over a bubbling stream and climbed up the steep ridge.

At the top, he saw the lodge nestled among the trees. As Rudge approached, the door creaked open, and an old woman named Sage greeted him. "Welcome, Rudge," she said with a kind smile. "You have shown great courage to find this place."

Inside the lodge, Sage showed Rudge a collection of magical artifacts. There was a glowing stone, a mysterious book, and a shining badge. "Each of these items has a special power," Sage explained. "But you must choose wisely."

Rudge thought carefully and chose the badge. As soon as he touched it, he felt a surge of energy. "This badge will guide you on many adventures and keep you safe," Sage said.

Rudge thanked Sage and left the lodge, eager to explore the jungle with his new magical badge. He knew that with courage and the right tools, any adventure was possible.
