The Puddle Party

It was a sunny morning, and the animals in the forest were feeling adventurous. Squirrel, Bunny, and Duck decided to have a Puddle Party! They hopped, skipped, and waddled their way to a clearing where a big, muddy puddle awaited them.

“Let’s jump in!” quacked Duck excitedly. With a SPLASH, they all leaped into the puddle, sending droplets flying everywhere. “Whee! This is so much fun!” giggled Bunny as she bounced up and down in the water. Squirrel joined in, doing somersaults and making big splashes with his tiny paws. The Puddle Party was off to a splashtastic start!

As the party continued, more friends joined in on the fun. Frog, with a hop and a leap, landed right in the middle of the puddle, making it ripple with joy. Even Chipmunk, who was usually shy, couldn’t resist the temptation and scurried over to join the festivities.

They laughed and played until the sun began to set, painting the sky with shades of pink and orange. With happy hearts and muddy feet, the friends said goodbye, already looking forward to the next Puddle Party adventure!
