

Name _____ **Fallacy**

Logical Fallacy

Explain why each statement is a logical fallacy.

1. The Labrador Retriever has been on the AKC's top 10 most popular breeds list for longer than any other breed. The Labrador Retriever is the best breed of dog for me and my lifestyle.
2. Plants move towards water and sunlight, therefore plants are conscious.
3. John got really upset when he cut his finger in the kitchen. Obviously he will not make it through medical school.
4. If I had eaten a different sandwich, I wouldn't be hungry again already.
5. My dog barks at anything on the television that has four legs. My dog thinks that everything he sees on TV that has four legs is a dog.
6. Last year's valedictorian didn't like this class either. This class should be removed from the curriculum.
7. I wouldn't hire that contractor. He drinks at a local bar every Saturday night.
