

## ANSWERS

Future  
Protagonist

Shows the future self of the main character (including possibly their death) to set in motion the story that led them to that future point.

Past  
Protagonist

Reveals an important past event that a reader needs to know to fully understand the main character and sympathize with them.

Different  
Point of  
View

Could add mystery to the upcoming story  
Could create dramatic irony

Presenting  
Background

Could establish a unique setting or an historical setting
