

Name _____

Plastic-Free Paradise

Short Answer Key

1. The main difference between EcoTopia and Emily's previous world is that EcoTopia is a plastic-free paradise where people embrace eco-friendly alternatives and sustainable living practices, while Emily's old world was polluted and filled with plastic waste.
2. The local market in EcoTopia packages its products in biodegradable materials or reusable containers.
3. At Emily's school in EcoTopia, students learn about how to reduce waste, recycle, and compost, along with the harmful effects of plastic pollution on the planet.
4. Emily's journey in EcoTopia is filled with joyful experiences, such as picnicking in plastic-free parks, swimming in clear lakes, and advocating for the environment. These experiences shape her into an advocate for eco-friendly living.
5. As Emily grows older in EcoTopia, she becomes an advocate for the environment, spreading the values of EcoTopia and inspiring others to protect the planet.
