

Name _____

The Odd Couple Dormmates

Short Answer Key

1. Alex was a neat freak who loved order and structure, while Sam was a free spirit who embraced chaos and spontaneity.
2. Learning how to cook together strengthened their friendship by allowing them to appreciate each other's strengths and enjoy shared experiences.
3. Teamwork played a crucial role in Alex and Sam's success on their group project by combining Alex's attention to detail with Sam's creativity.
4. Alex helped Sam become more organized and focused on academics, while Sam helped Alex loosen up, embrace spontaneity, and enjoy life more.
5. Answers may vary, but one possible important lesson they learned was the value of balance and the beauty of embracing diversity in friendships.
