## The Riddling Friend

### Short Answer Key

1. Riddleo could only communicate with Gracie through riddles.
2. An example is, "I'm not a bear, but I love this sweet treat, especially when it's made with love to eat." Gracie guessed the answer was "honey."
3. They created a makeshift nest and watched over the baby bird until it was ready to take its first flight.
4. Gracie discovered that friendship could be as puzzling as a riddle, but the joy it brought was worth every twist and turn.
