

Name _____

Code Hero: The Hacker's Quest

Short Answer Key

1. Alex decided to become a hacker to protect the digital world from cybercriminals and seek justice for their friend who fell victim to a cyberattack.
2. Alex assisted in preventing a massive cyberattack by alerting the authorities and providing assistance in thwarting the attack.
3. The retaliation by the cybercriminals when ZeroByte exposed their identities was launching a relentless cyberattack on Alex's home network.
4. Alex managed to bring the cybercriminals to justice by tracing their location and exposing their identities to the authorities, which led to their arrest.
