

Name \_\_\_\_\_

## Created Alone

### Short Answer Key

1. Victor abandoned the creature because he was afraid of its appearance.
2. The creature felt lonely, sad, and rejected when people ran away.
3. Victor's mistake was creating life without thinking about the consequences.
4. If Victor had cared for the creature, the creature might not have felt angry or alone.
5. The creature feels angry because Victor left him to suffer without guidance or love.
