

Name _____

School Adventure

Short Answer Key

1. The mouse wants to explore everything because he is curious and excited about learning new things.
2. His energy makes the day fun but also a little chaotic, as he keeps moving from one activity to another.
3. By the end of the day, the mouse learns that school is full of surprises and fun learning experiences.
4. He gets distracted when he remembers his lunchbox, which reminds him of his backpack, and he starts looking through it all over again.
5. The book shows that school is fun through activities like drawing, building, and science experiments, but also chaotic because the mouse is always moving and changing plans.
