

Name _____

The Magician's Time-Traveling Mishap

Short Answer Key

1. Emma's magical energy surged unexpectedly, creating a swirling portal that transported her to Columbus's time.
2. She disguised her modern knowledge as clever predictions about future events.
3. She believed that she could discover the secret to opening a portal back to her own time by finding the Santa Maria, which was associated with Columbus's historic voyage.
4. Emma faced challenges such as dense jungles, fierce animals, and turbulent seas. She overcame them with the help of friends she made along the way and by using her magical abilities.
5. Emma learned about the power of magic, the value of knowledge, and the importance of responsibility. Her journey made her a wiser magician and gave her a deeper appreciation for the past.
