

Name _____

The Vampire's Secret School Days

Open-Ended Response Answer Key

1. Victor likely wore protective clothing, stayed in the shade, and came up with excuses to avoid activities that would reveal his aversions. He also relied on Emily's support and understanding.
2. Emily was compassionate and understanding, which made her more accepting of Victor's differences. She valued their friendship and was willing to help him navigate his unique challenges.
3. The story conveys the message that true friends accept each other for who they are, even if they are different from others. It shows the importance of compassion, understanding, and trust in building meaningful relationships.
4. Creative solutions could include using sunscreen, wearing protective clothing, participating in indoor activities, and having a backup plan for outdoor events.
